Re: Monthly Report - January 2009

Report Summary:

Crime data and monthly departmental activity is summarized with a historical perspective.

Comparative Data:

Uniform Crime Index Offenses decreased almost 25 percent from December 2008 and when compared to the same time last year, the decrease is 7.95 percent.

Report Analysis:

There were 50 reported assaults, 31 of which were family violence assaults.

Burglaries decreased overall by 25 percent; habitation burglaries decreased more than 54 percent. Of the 14 habitation burglaries reported, force was used to gain entry in six. Six homes were entered through an open garage door or unlocked window and two had no signs of forced entry and it is unknown how entry was made. Building burglaries increased by 5. Only six of the twenty-two buildings burglarized were under construction.

Burglaries of Motor Vehicles decreased more than 54 percent from last month. Of the 34 burglaries reported in January, eighteen vehicles were entered by force, fourteen were unlocked, and it is unknown how entry was made in one vehicle. Thirteen of the vehicles entered by force were parked in a retail or commercial parking lot. Twelve of the unlocked vehicles entered were parked at a residence location.
